## AIR SEYCHELLES TO RESUME FLIGHTS TO MUMBAI

Effective Wednesday, 7 April 2021, Air Seychelles will resume passenger flights from Seychelles to India's largest city and financial centre, Mumbai after one year of absence on the route.

The twice weekly flights, to be operated by the airline's A320neo aircraft with 154 Economy and 12 Business Class seats, follows the air bubble agreement between India and the Seychelles allowing the two countries to operate commercial passenger services.

The flights will depart Seychelles International Airport in the late evening on Wednesdays and Saturdays and will arrive in Mumbai in the early morning hours, allowing travellers the opportunity to easily connect to their onward domestic flights.

The first flight departed Seychelles International Airport on Friday, 26 March 2021 in the morning and returned from DWC the next day on Saturday, 27 March 2021. From 2 April 2021 the flight schedule on Fridays will include an afternoon departure from Seychelles.

To provide business and leisure travellers a full week in Dubai, the returning flight from DWC will operate on Saturday mornings, arriving back to the island around midday.

The flights are ideal for travellers planning their Easter holidays and are on sale at the airline's sales offices in Mahé and Praslin, via [airseyelles.com](http://airseyelles.com), by contacting the call centre on +248 4391000 or through travel agents.
